

# Tomarata School Cybersafety Student Use Agreement

I will only use technology to help me with my learning.

I will look after the devices carefully and place them in a safe place when finished using them.

I will search for information using only appropriate words.

I will keep my private information private when using online programmes and apps. (First names only)

If I see inappropriate pictures or words I will tell a teacher straight away.

I will use my own Google Account responsibly to help me with my learning.

I will keep food and drink away from the devices.

Other people's accounts passwords and folders are off limits.

I will safeguard my password and sign out of my account when finished.

If I discover someone else's password by mistake I will tell a teacher straight away.

I will only use appropriate language when I am using the devices for writing.

I will only print with the teacher's permission.

I agree to follow our rules. I know there will be consequences if I don't.
