Newsletter Week 10, Term 1

April 11, 2024

Principal's Message

Kia ora koutou,

I hope that you are all well.

The term is coming to a close, which means two weeks of no school, and for many of you an opportunity to spend lots of time with your children. For our teachers, it's a chance to recharge and get organised for term two, so that our students get lots of awesome learning experiences.

Our curriculum focus for term two is science. We will be looking at the natural world, and towards the end of the term, will be having a special Matariki celebration, including a whole school hangi.

Just a reminder that reports will be available on Hero as of tomorrow afternoon. These are followed up on Wednesday and Thursday of week one next term, with student, parent, teacher interviews. These can be booked by scanning the QR code, or by visiting <https://www.schoolinterviews.co.nz/> Enter the code **wwnuw** to book interviews for your child/children.

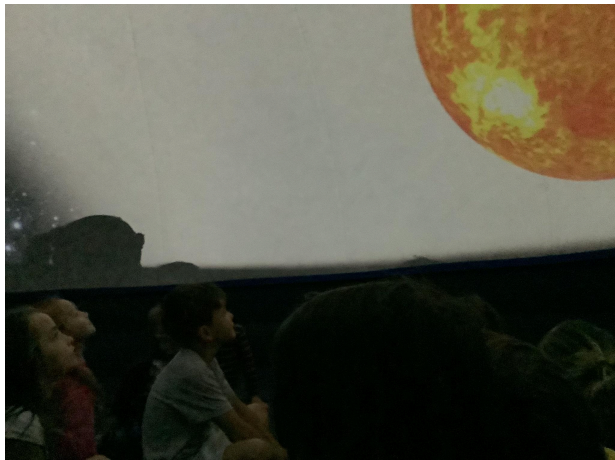

Have an awesome school holiday everyone.

Nga mihi nui,
Chris King principal@tomarata.school.nz

What's coming up?
